**NOTIFICATION OF CHANGE IN SMALL ENTITY STATUS AND
PAYMENT OF DEFICIENCY OWED UNDER 37 C.F.R. § 1.28(c)**

Sir:

The claim for small entity status in connection with the above-referenced application is hereby withdrawn. The establishment of small entity status and payment of fees in accordance therewith in this application was done in good faith and without any deceptive intent, but the Applicants have recently determined that they cannot be certain they were entitled to small entity status at the times of previous payment of fees in this application. Thus, out of an abundance of caution, Applicants hereby withdraw the assertion of small entity status. It is hereby requested that any error in small entity status be excused under the provisions of 37 C.F.R. § 1.28(c).

Pursuant to 37 C.F.R. §1.28(c)(2), the following information is set forth herein: 1) each fee that was paid as a small entity after a (possible) loss of small entity status, including the type of fee paid, the date that the fee was paid and the amount actually paid; 2) the deficiency owed for each fee that was paid based upon the current fee amount; and 3) the total deficiency payment owed.
